**SUMMARY OF THE EVENT**

The Department of Pediatric and Preventive Dentistry organised a state-level workshop programme on 'Esthetic Procedures in Pediatric Dentistry' on 31<sup>st</sup> August, 2018 at the Rural Dental College, Loni. The resource person for the workshop was Dr. Rohan Bhatt, Professor and Head in the Department of Pediatric and Preventive Dentistry, Karnavati University, Gujarat. In the morning session, the guest lecture was scheduled where Dr. Rohan Bhatt highlighted various recent Esthetic crowns available in the market. It was attended by 50 postgraduate students from different universities across the state. Following which, the afternoon session consisted of a live hands-on demonstration given on the Ivorion tooth models to receive zirconia crowns. 17 students benefited from the hands-on programme, and by the end, students could successfully perform all that was imparted in the workshop. The inaugural programme was chaired by Vice Chancellor Prof. Dr. S. N. Jangale, PIMS (DU).
