CELEBRATION OF NATIONAL PERIODONTIST DAY

24 FEBRUARY 2025

The Department of Periodontology (Rural Dental College, Pravara Institute of Medical Sciences,Loni) in collaboration. with Indian Society of Periodontology celebrated National Periodontist Day on 24th February 2025.

National Periodontist Day is celebrated every year on 24th February to commemorate the date of inception of Indian Society of Periodontology (ISP). The year 2025 also marks to be the Golden Jubilee of ISP. Rural Dental College, Loni is grateful to the society for giving the opportunity to be a part of this mega celebrations.

The Head of the Department, staff & students of Department of Periodontology acknowledge the ISP for providing the appreciation certificates, gifts & other logistics for conduct of event. We also extend our acknowledgement to Group Pharmaceuticals for supplying the Omni dent toothpaste samples along with banners & badges.

On this Occasion Principal Dr.Raju Anarthe and Head of the Department Periodontology Dr. Amit Mani sir enlightened students.

As a part of celebrations the Department conducted various activates which are as follows with a detailed description of the events.

1. **Patient education & toothpaste distribution:** On 24th February 2025 the Department celebrated the National Periodontist Day by educating & creating awareness among all the patients visiting the OPD.This was followed by Omni dent toothpaste distribution to all the patients.

2. **Skit Prsentation & Rangoli Making Competition**-On 24 th February 2025 in continuation with the celebrations the postgraduate & the third year BDS students performed a Skit Presentation depicting the importance of maintaining a good oral hygiene & having regular visits to a periodontists for the overall gum health. In rangoli making Competition Students showcased their creativity by illustrating themes related to oral health awareness, periodontal care, and the importance of maintaining good oral hygiene.

3. **Patient Education & Screening camp:** On 24th Feb 2025, Dental screening camp was organized at Jijamata Public School, Belapur. A total of 230 Patients were screened and provided with Omni dent toothpaste. The postgraduate student highlight the importance of maintaining oral health & demonstrated proper brushing technique.

4. **Face Painting Competition:** On 24th February 2025, as a part of the National Periodontist Day celebrations, a Face Painting Competition was organized. Students showcased their creativity by illustrating themes related to oral health awareness, periodontal care, and the importance of maintaining good oral hygiene. The event aimed to spread awareness in an engaging and artistic manner while encouraging participants to express their understanding of periodontology through vibrant and thought-provoking designs.

5. **Soap Carving Competition:** On 24th February 2025, a Soap Carving Competition was held as part of the National Periodontist Day celebrations. Participants demonstrated their artistic skills by sculpting intricate designs related to oral health and periodontology. The event encouraged creativity while highlighting the importance of dental care through visually engaging carvings. It served as an innovative way to spread awareness about periodontal health among students and attendees.
